**STOP PUSHING BUDGET BURDENS DOWN TO
WORKERS AND STUDENTS!**

WE DEMAND:

ACCESS

A **tuition freeze** and **progressive funding** for all levels of public education

Respect for labor with an end to layoffs, furloughs, and "voluntary" pay cuts

Tuition waivers for UIUC workers

Respect for labor law and collective bargaining agreements

DIVERSITY

Recruitment and retention of a diverse campus population of workers, students, and faculty that is truly **representative** of the State of Illinois

Full and equitable funding for cultural programs and cultural *houses*

DEMOCRACY

A **democratic campus** with **shared governance** in policy decisions

Transparency and openness in **making decisions** about the University **budget**

An end to the **corporatization** of the University with **ethical spending priorities** for **teaching and research** instead of administrative units and corporate programs

QUALITY

Treat students as humans and not "instructional units" with **NO larger class sizes**, & **NO reductions in faculty and graduate employees**.

Fair treatment of contingent **instructors** and **service and facilities workers**.

We make the University. They make the crisis.
